

# Testing with Confidence: Helpful Tips

## **Review Protocol Revision:**

Before submission, refer to the BTL testing policy regarding the current minimum protocol revision at [btl.org](https://btl.org).

## **Submit Required Documentation:**

Hardware shipments must include a Proforma Invoice, EPICS file, and Special Test Instructions.

## **Provide Tracking Details:**

Email your courier tracking number to [testing@bacnetinternational.org](mailto:testing@bacnetinternational.org) as soon as you ship your device.
